

1.Course Name:	
Nursing Ethics	
2.Course Code:	
WNR-11-04	
3.Semester / Year:	
First Stage/First Semester	
4.Description Preparation Date:	
1/10/2024	
5.Available Attendance Forms:	
In-person lectures (attendance forms)	
6.Number of Credit Hours (Total) / Number of Units (Total)	
2 theoretical hours (2 credits)	
7.Course administrator's name (mention all, if more than one name)	
Name: Dr. Amal Khalaf Kadhim Email: amel.kh@uowa.edu.iq	
8.Course Objectives	
<p>By the end of this course, students will be able to:</p> <ol style="list-style-type: none"> Understand and apply international laws and regulations governing general nursing practice, including patient rights and professional conduct standards, especially within the Iraqi healthcare context. Demonstrate effective communication skills with patients, their families, and the healthcare team, using precise scientific terminology both orally and in writing. Analyze and critically evaluate scientific research and academic sources related to nursing ethics and apply ethical principles in both theoretical and practical nursing contexts. Develop a strong foundational knowledge base that enables comprehension of advanced professional topics and fosters interdisciplinary collaboration. Internalize professional ethical values, encourage engagement in scientific research, and adopt modern techniques to enhance nursing practice.
